

# Hall of Fame Poster

## Opening Bid - \$2,500, Item #9

Any horse racing enthusiast needs this 16x20 hall of fame poster hanging on their wall. This poster contains original autographs from 36 hall of fame jockeys, 20 hall of fame trainers, 1 pillar (Penny Chenery) plus 4 representatives of hall of fame horses. (61 autographs in total) Most inscribed the year of their induction. Eclipse award winning owner Carolyn Hine

autographed these on behalf of HOF horse Skip away. Trainer John Shiriffs signed these for Zenyatta. Triple crown Jockey Jean Cruguet, and Triple crown trainer Bill Turner signed for Seattle Slew. 9 of the HOF signers have passed away.

Deceased jockeys Sam Boulmetis, Manny Ycaza, John Rotz, Thomas Walsh and Randy Romero have autographed these.

Trainers Jack Van Berg, Gary Jones, and Leroy Jolley as well as Pillar Penny Chenery all signed these. In fact, of the 21 hall of fame trainers alive during the 5 years it took to create this, only Mark Casse from this years class is missing and thats because of COVID. I was able to have new inductee Todd Pletcher sign these. Only 24 of these posers were made, and only a few remain. Many obscure Hall of famers who were difficult to find or had health issues were found and participated.

Never before has one item contained so many hall of fame signatures . Horse racing history can be at your finger tips for a generous tax deductible offer. Win this....frame this...hang this and stare at it. HORSE RACING HISTORY. The winner of this item will receive a certificate of authenticity from the PDJF
